Francesca Hannah TSTA
Steff Oates TSTA

Saturday 25th November 2006

Cost £95.00

With the aim of de-mystifying the exam process we are running a small group where trainees who are leading up to their exam may use the space to practise with exam tapes, discuss written exam processes and consolidate their knowledge of TA.

There will also be an opportunity to practise teaching and supervision for TEW.

Using the small group we will develop an atmosphere of support, collegiality, run mock examinations and have fun.
